

This year, while Marie-Paule is still in our midst, we thought it appropriate that the greetings for Christmas and the New Year come from her. Only the Mother of us all is able to speak to our souls with as much spiritual force and loftiness, while still shrouding it in her divine Love. As She is now living very much in timelessness, it will be as if the Co-Redemptrix were really addressing her wishes to us at this time of the passage from the year 2014 to the year 2015 of the Redemption.

*Happy  
New Year!*

*Let us thank God for the graces granted during the year. If there are entreaties which God is taking a long time to grant, may our prayer of surrender to His Grace or of offering to His Love testify to our good will, our faithfulness and our trust in Him. A day is coming when His grace will be manifested in superabundance, and it will touch a greater number of souls bound in with our life of oblation.*

*May all our acts of charity and generosity, our fraternal regards, our words and songs be the manifestation or the external expression of the state of prayer that characterizes our soul which, through daily Communion, has become a Cenacle in which Christ lives in us, seeking only to fill us so that we may carry Him to those who are searching for Him.*

*May Mary Immaculate bless her Knights and may she guide them everywhere, according to her will, for the renewal of the Church and the good of humanity.*

*That is our wish on the occasion of the wonderful feast of Christmas which reminds us of the birth of a Savior who came to save us. May Christ fill you with His Peace and His Love throughout the New Year.*

*United in the Hearts of Jesus and Mary,*

*Marie-Paule – Christmas 1978*

*Greetings from Father Victor, Marian Father*

*The period extending from Jesus' Nativity to His Presentation in the Temple is a very special time, both in the liturgy and in the life of families. It also marks the passage from one year to another with all the expectations and hopes inherent in this. Thus, for the feast of Christmas and the New Year that is beginning, I implore the Lord and the Lady that Heaven may grant you a time of peace, love and joy, so that you may all grow closer to the Lord and experience genuine happiness. It is with that in mind that I bless you wholeheartedly.*
